Insurance for you, and your business.

ANDREWS
INSURANCE SERVICES TO BUSINESS

Business
Insurance

- Small to Medium Business
- Retailers
- Wholesalers
- Importers
- Manufacturers

Business Package
Business Package is specifically designed to meet the needs of Australian small-to-medium sized businesses.

Office Package
Office Package provides all-in-one protection for people who operate their business from an office including medical and health, financial services, professionals, consultants and administrative services. This policy can be tailored to your business requirements.

Liability Insurance
Liability Insurance will protect you and your business against a range of legal liabilities, including personal injury and property damage.

Business Interruption
The shortfall in your business income caused by the interruption to your business after you've had an insured loss.

Corporate/Business Travel Insurance
Corporate Travel Insurance provides cover for employees when travelling for business purposes.

Management Insurance
Management Liability Insurance is designed to extend company protection and provide all-in-one coverage for Directors and Officers, Liability, Employment Practices, Statutory Liability and Company Expenses.

Commercial Motor Insurance
Includes all different vehicles, from cars, trailers and caravans to goods carrying vehicles and mobile plant machinery.

Motor Fleet Insurance
Fleet covers for a range of vehicle types and fleet sizes.

Construction Insurance
This is available for single projects and annual contract works. Covering property damage, removal of debris, professional fees, mitigation expenses, principal supplied materials, or materials in transit.

Commercial Property Owners Insurance
Covering building, loss of rent, and public liability for property owners including strata lot owners.

Commercial Strata Insurance
Designed to protect the specific insurance needs of commercial strata title properties, not always catered for under a standard commercial property insurance policy.

Industrial Special Risks Insurance
Industrial Special Risks Insurance (ISR) provides property damage cover and consequential loss cover for medium to larger organisations.

Machinery Breakdown Insurance
Machinery breakdown, explosion or collapse or deterioration, fire theft and loss of income due to business interruption. Machinery repair and temporary hire costs.

Trade Debtors Insurance
Covering your book of debtors in the event of the debtor going insolvent.

Corporate & Professional
Insurance

- Indemnity
- Information Technology
- Liability
- Management Insurance

Professional Indemnity Insurance
Professional Indemnity Insurance provides cover from potential threats, such as claims for alleged negligence or breach of duty arising from an act, error or omission in the performance of professional services.

Information Technology Insurance
IT professionals and businesses can be liable for advice and/or services they have provided that cause financial loss to a third party.

Information Technology Liability Insurance combines professional indemnity insurance with public and products liability cover to give you comprehensive protection.

Employment Practices Liability Insurance
Employment Practices Liability Insurance is designed to help employers minimise the risk and potential cost of claims taken against them by employees.

These actions may be related to such things as alleged discrimination, unfair dismissal and sexual or workplace harassment.

Associations and Not for Profit Organisations Liability
Liability package for Associations and Not For Profit Organisations is designed to protect the assets of both the organisation and their officers against the risk of litigation.

Directors and Officers Liability Insurance
With greater corporate governance and regulatory surveillance in place today, company directors and officers are under increased pressure to carry out their duties and obligations meticulously.

Failure to do so may lead to personal liability for the individual director or for the entire board of directors, regardless of whether they are acting in a part-time, honorary or non-executive capacity.

Liability Insurance is designed to protect the assets of company directors and other individuals of a corporation against such claims.

Management Insurance
Management Liability Insurance is designed to extend company protection and provide all-in-one coverage for Directors and Officers Liability, Employment Practices, Statutory Liability and Company Expenses.

Cyber Insurance/Data Breach/Privacy Protection
Protects you against third parties that may hack or infiltrate your computer systems, this insurance can provide protection against privacy breach, system damage, business interruption, computer crime and extortion.
